ACCREDITATION

The College of Wooster is fully accredited by the Higher Learning Commission of the North Central Association of Colleges and Secondary Schools. Its curricula are approved by the State of Ohio Department of Education.

CREDIT SYSTEM

1983-Present A semester system is adopted. Each semester is 15 weeks in duration; the summer session is a six week period of intensive study. The bachelor degree requires that 32 course credits be completed. **One course credit equals 4 semester hours or 6 quarter hours.**

1974-1983 The bachelor degree required 35 courses to be completed.

1969-1974 The bachelor degree required 34 courses be completed plus six quarters of physical education. Each course is valued at 3.5 semester hours or 5.25 quarter hours.

Grades for courses in the first two quarters of the freshman year were not included in the cumulative grade point average.

Fractional credit is shown as twelfths under "ATTD", "PASS", "S/NC", and "TR/AP". A 12.10 under "ATTD" means 12 10/12 courses. True decimals are shown for computations of GPA and quality points.

DEAN'S LIST

The Dean's list includes students meeting the following criteria during a semester; enrollment for at least four full credits in letter-graded courses, semester grade point average of 3.650 or higher, no final grade of I (Incomplete) or NC (No Credit). Students who demonstrate satisfactory progress in the first course of the senior thesis (45100) or completion of the second senior thesis course (45200) are eligible for the Dean's list with three courses that are letter-graded.
